A practical note

A note for each unit

NESTSTAY
People First. Always.

Use a simple unit label. Leave anything uncertain blank or mark it for checking after access.

For a first enquiry, the building, approximate unit count and current stage are enough. You do not need to complete this note.

01 **Unit label:**

02 **Key / access status:**

03 **Developer handover list:**

04 **Owner’s existing items:**

05 **Contractor’s agreed supply:**

06 **Still to confirm after access:**

07 **Extra items or work to discuss:**

08 **Person authorised to approve additions:**

09 **First units to discuss:**

10 **Details still to confirm:**
